Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Tuesday 03 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing leaving a clear and dry night, feeling chilly.

This Evening and Tonight:
Showers easing through the evening on Tuesday, leaving a dry night with long clear spells for many across the region. Feeling chilly overnight, especially in clearer areas. Minimum temperature 7 deg C (45 deg F).

Wednesday:
Starting dry with sunny spells. Showers, some heavy and thundery, start developing from late morning before easing in the evening. Feeling warm in the sunshine between the showers. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Unsettled, with increasingly widespread showers, some heavy and thundery on Thursday. More persistent thundery showers continuing into Friday, easing overnight. Saturday remaining unsettled and showery.
